Application for Name Approval/Name Reservation

Registration of Business Names Act, Chap. 82:85

This form is for use in checking availability of a name and for approval of a name in respect of one business only. The form must be submitted in duplicate originals and information must be typed or written in block (capital) letters. One copy of the form will be returned to the applicant, indicating results of the search and must, if name is available, be attached to the Application for Registration/Change of Particulars Form. An indication that a name is available at this time does not mean that a business is automatically registered.
